Subject: Commentary on "Artificial Tobacco Substitutes"

Attached is the draft of a reply to the recent commentary "Artificial Tobacco Substitutes" by Dr. Gio B. Gori which appeared in the Journal American Medical Association, November 3, 1975, pp. 489-490. I would appreciate very prompt approval for this publication as it is important to submit it to the editor at an early date so that it does not suffer by undue publication delays.
